	7M5140	Silver grey	1 pair	1 pair of powder-coated steel supports for wall fixing for code 7M5170. (Screws not included)
	7M5142	Silver grey	1 pair	1 pair of powder-coated steel supports for floor/ceiling fixing for code 7M5170. (Screws not included)

GENERAL TERMS OF SALE

1. This Technical Manual cancels and replaces all previous.
2. The product prices may be changed by the vendor at any moment without prior notice; all prices are not inclusive of assembly or installation.
3. The vendor reserves the right to alter the construction materials, the technical and visual characteristics and also the dimensions of the products, at its own unquestionable discretion and without any prior notice.
4. The images of the products contained in the photographic catalogue are purely indicative.
5. In addition to the specific terms agreed each time, sale is governed by these general terms, which are considered to be known by the purchaser; any clauses deviating from these general terms of sale must be in writing.
6. The purchaser's purchase proposals and/or orders are conditional upon the vendor expressly accepting or starting fulfilment of the agreement, in cases where this is permitted. Any subsequent amendment to the sales agreement will not be valid and binding unless entered in a written document signed by the party being asked to accept this amendment.
7. Delivery of the goods sold is with remittance thereon to the carrier or forwarder, so that the goods travel at the purchaser's risk and danger; this also applies in cases where the goods are sold free to the purchaser's address. Any other request, complaint and/or action relating to shipment or transport of the goods must be brought by the purchaser directly against the forwarder or the carrier. Any damage, loss or breakage of the goods sold which is attributable to shipment or transport thereof will not exempt the purchaser from liability for payment of the agreed price.
8. The delivery time is indicative and not binding; it may be delayed without any obligation of indemnity or compensation of any direct or consequential damages suffered by the purchaser as a result of late delivery and without this leading to termination of the sales agreement due to the vendor's non-fulfilment. In no circumstance shall Laine be liable for any consequential damages suffered by the customer for late delivery.
9. With the exception of cases of force majeure, in the case of strikes and all other cases which temporarily prevent the vendor from fulfilling the sales agreement properly, the vendor is entitled to withdraw from the agreement, without the purchaser being entitled to claim any damages, except for the repayment in the case of withdrawal, of any amount paid as an advance.
10. Payment of the sale price of the products must be made at the vendor's registered office. In the case of late payment, the purchaser will automatically be placed in arrears and will be required to pay interest in the amount and from the time required. Payment terms: Strictly Net 30 days. An indemnity is required for all commercial credit facilities. Accounts are payable within 30 days from statement date. We reserve the right to withhold supply supplies on overdue accounts. Laine may commence legal proceedings to recover outstanding monies: all costs incurred will be added to the debt and payable by the purchaser/client.
11. The vendor is not liable for any defects of the products known or knowable to the purchaser, who has not immediately refused to accept delivery of the goods. Disputes or complaints over the product quantities must be notified upon delivery, with noting on the relative transport document. Replacement of the product does not signify acceptance of the claim or complaint. The purchaser will only be credited the amount after the faulty products have been returned and provided that the vendor's liability has been recognised or otherwise ascertained and limited to the purchase price of the items only.
12. The drawings, models, graphs and other technical information on the products being sold, and also samples, catalogues, photographs and similar materials, always remain the intellectual property of the vendor and may not be copied, or transmitted to others, or used in any other way.
13. The amounts paid by way of a deposit may be withheld by the vendor if the order is cancelled and/or in all other cases of non-fulfilment by the purchaser which justifies the vendor's withdrawal, without prejudice to the right to request fulfilment of the agreement and also the right to demand compensation of greater damages. In contrast, if the purchaser fulfils its contractual obligations, the amounts paid by way of deposit will be allocated to payment of the price; said amounts, and all other advances, will be non-interest-bearing.
14. Any tolerance by one of the parties of the other's conduct which breaches the clauses governing sale does not constitute waiving of the rights deriving from the breached clauses nor the right to demand precise fulfilment of all the terms and conditions contained in the sales agreement.
15. The vendor maintains ownership of the products until complete payment of the price indicated on the invoice. Up until that date, the products delivered are considered as only held in deposit by the purchaser. The latter therefore accepts the risk of damages to the products deposited attributable to any cause.
16. The purchaser is responsible in ascertaining that the products are "fit for purpose". The vendor declines all liability consequent upon items not being suitable for application.
17. The purchaser is required to inform its own customers and/or final users of the product characteristics, in order to reduce to a minimum the risk of improper use which could expose the vendor to possible claims of damage. In the case of failure to provide this prior information, the purchaser expressly exempts the vendor from any hypothetical liability.
18. Victoria, Australian Court will be the sole court of competent jurisdiction for all disputes which may arise in relation to sale and any actions of amendment and enforcement thereof, including those relating to the validity, effectiveness, interpretation, fulfilment and termination of the agreement.
19. Orders placed on Laine Furnishings Pty Ltd for the Mitesco range of products cannot be cancelled.
20. Payment terms: Strictly Net 30 days. An indemnity is required for all commercial credit facilities. Accounts are payable within 30 days from statement date. We reserve the right to withhold supply supplies on overdue accounts. Laine may commence legal proceedings to recover outstanding monies: all costs incurred will be added to the debt and payable by the purchaser/client.
21. Ruling price is price at which goods are invoiced. Prices to change without notice. Prices are exclusive of GST. A 10% value will be added to all orders.
22. Freight will be added to all orders. A \$15 per \$1000 order value or part thereof will be added to Victorian orders and a \$30 per \$1000 order value or part thereof will be added for all other states. Minimum delivery charge \$15 Victoria and \$30 all other states. All prices exclude GST.
23. Claims will only be considered if product is returned to Laine Head Office at customers expense within 7 days of receipt and product is in the same condition and packaging as it left the Laine warehouse.
24. Colour variation is a natural accepted part of the textile industry. Laine will endeavour to match colours as closely as possible within commercial tolerance. Laine will not be responsible for products exposed to direct or indirect sunlight / UV light.
25. In any case, before purchasing the products, it is necessary to consult the terms of sale, technical characteristics and the following:

WARNINGS

- Before installing the products, check the bearing capacity of the wall/floor/surface on which they will be positioned, ensuring they are suitable for the intended type of user/use.
- The products are not suitable for use by children.
- The products are not suitable for use outside.
- If the products are applied to the wall/floor/surface, they must be installed with anchoring devices (not shown in the catalogue).
- The products must be assembled and/or installed exclusively by skilled technical personnel, using instruments and tools appropriate for this purpose.
- Carefully read the instructions enclosed with the product before proceeding with assembly and installation, paying particular attention to the warnings and to the explanatory drawings; if the instructions are not attached, contact the vendor's technical office.
- Suitable attachment devices must be used to attach the products to the wall/floor/surfaces, which are strong enough to resist the forces generated; in any case, suitable supporting elements to support each individual element must be used.
- In the case of incorrect installation and/or the maximum loads indicated on this price list and/or the instructions attached to the individual products being exceeded, a situation of danger could be created, the products could collapse, fall and cause damage to people and/or things: do not exceed the loads indicated.
- Do not install the product in the case of any doubts over the methods of installation and/or bearing capacity of the wall/floor/surface on which the product is to be positioned.
- Comply with the instructions and compositions shown on this price list; for different compositions and/or further information on the products or installation methods, contact the vendor's technical office.
